

GREWGRASS LODGE

GREEN POLICY

Grewgrass Lodge are proud to promote a Green Policy.

Guests are provided with recycling waste disposers for bottles, tins, papers etc

Guests are encouraged to dispose of vegetable waste in the compost bin at the woodland edge.

Dog owners, please dispose of your dog waste responsibly.

There are locally produced vegetables at New Marske allotments and at the local greengrocers in Marske square. Very shortly, fresh free range eggs will be supplied by David at Grewgrass Lodge.

Fishing the Pond:

The pond is very well stocked with coarse fish. Anglers please note that only barbless hooks are allowed, keep nets are not to be used due to cross contamination and no ground bait/additives are to be used as bait.
